

rSchoolToday Selected as Chicago Public Schools Digital Platform Partner

rSchoolToday has been selected as the Digital Platform Partner by Chicago Public Schools

TAMPA, FLORIDA, UNITED STATES, August 2, 2021 - After a thorough vetting process, rSchoolToday was chosen as the Athletics Scheduling and Publishing platform by Chicago Public Schools (CPS). CPS chose rSchoolToday to provide district-level Athletics Administration, a new district Athletic Department Website, and School-level Athletics Management, Calendaring, Mobile apps, and VNN® Team Web Sites and for their 81 traditional high schools that compete in the Chicago Public League (CPL).

"It's been a real joy to work with the CPS team. David and his administrative team are very dedicated and working to bring 'best-of-breed' efficiency and automation to their school administrators and school communities. Together, we see so many areas we can grow together in providing paperless solutions to improve efficiency and reduce cost for the district. We look forward to delivering big-time for them!"

Ray Dretske, President and Co-Founder, rSchoolToday

"We are very excited to work with Ray and the rSchoolToday team. With their software, we will be able to transform the way we run our programs through effective digital scheduling tools and will be able to showcase our student-athletes, coaches and significant team accomplishments (K12) on our new dedicated school and district level athletic websites. We look forward to our partnership with rSchoolToday in order to better serve our community and to enhance our internal and external digital presence."

David Rosengard, Executive Director of Sports Administration, Chicago Public Schools
